## **Exceptional results at A Level for Ealing Sixth Form Girls**

Congratulations to all the Upper VI (Year 13) leavers from St Augustine's Priory, Ealing Catholic independent day school for girls on their A Level results this year.

Overall, 92% of grades were from A\* - C with 72% being from A\* - B.

A\*s and As were achieved in a wide range of subjects, from Art, Biology, Business, Chemistry, Classical Civilisation, Drama, Economics, English Literature, Geography, Government and Politics, History, Mathematics, Photography, Religious Studies and Sociology.

The school is very proud of the girls' achievements and the students have met confirmed offers for ambitious degree courses at university, such as Physics and Astronomy at Surrey, (whose Professor is the world-renowned Jameel Al-Khalili OBE), Biology at Leeds, Biochemistry at Birmingham, Art Foundation at Loughborough, Zoology at Leeds, History at York, Politics and International Relations at Bath and Economics at Royal Holloway.

100% of our Year 11 Additional Mathematics students achieved the top grade, A.

St Augustine's Priory prides itself on outstanding teaching and individual support delivered in small all-girls Sixth Form classes, as well as its culture of challenge and hard work which has resulted in such great results.

Interim Headteacher, Mrs Marie-Helene Collins, commented, 'We are delighted with these exceptional results, which are so well deserved, for our wonderful girls. We are enormously proud of our girls and teachers for all their hard work'.
