Activities Directory

<p>Acting (LAMDA) Developing a strong speaking voice and good memory skills by learning and performing monologues and duologues. Designed for solo or duologue performances.</p>	<p>EPQ Support Sessions designed to support 6th form students who have chosen to take an EPQ (Extended Project Qualification). Activities will include developing various skills such research and presentation, as well as help with planning and delivery of the qualification.</p>	<p>Biology Stretch and Challenge This club will be for students of Biology A Level who want to explore concepts beyond the curriculum and in a more practical sense. The club will make links between the course content and real examples of where this understanding can be used to make progress in areas such as medicine, forensic science, and conservation. The club would be particularly beneficial for students who wanted to take a biological science to degree level.</p>
<p>After School Club Homework area, games, puzzles, educational activities, arts and crafts, book corner, role play, outdoor play, Spanish conversation. Snacks and drinks given. Staff collect Nursery – Prep III pupils from their classrooms at the end of the school day, Lower I-Lower IV make their own way to the refectory.</p>	<p>French Conversation Club Developing and practising French speaking skills.</p>	<p>Speaking Verse and Prose (LAMDA) Learners interpret a rich variety of poems and novels, developing a strong speaking voice and memory skills. Designed for individual candidates.</p>
	<p>Homework Club Offering you an opportunity to get on with homework or finish off schoolwork in a small supportive environment. Collection and drop off in Prep Playground.</p>	
	<p>LAMDA Introductory Introducing learners to basic communication skills. Learners will speak one poem from memory, audibly and clearly with some appreciation of meaning and maintain a short conversation with the examiner about a favourite toy or object, picture and book.</p>	

<p>Around the World Club In Around the World Club we will be looking at a continent each term. We will then explore a country within that continent every week and engage in activities related to it.</p>	<p>Mindful Chess Mindful Chess is an educational organisation providing a unique approach to teaching chess in schools within Greater London. Following working with one of Hong Kong's most prestigious chess schools Scholastic Chess, we are now offering the same opportunities to children in the UK.</p>	<p>Sports clubs As a Department we believe it is essential to create opportunities for all to participate in Sport. We have opportunities for girls who would like to participate in Sport to improve their skills in Open activities, and for those who want to challenge themselves and compete in squads against other schools. Clubs take place before school, at lunch time and after school. At Senior Level we ask the girls to be committed to training, to ensure that the squad is able to progress. We operate a no train no game policy.</p> <p>We have made a big push to improve our fixture programme for all age groups; therefore girls may not undertake training every week. It is your daughter's job to check the overview on the VLE and website to check when training and fixtures are.</p>
<p>Creative Writing Club Develop skills in storytelling such as narrative, script writing and poetry. Collection and drop off in Prep Playground.</p>	<p>Nature Club Come and explore the great outdoors! Our new Preps Nature Club will give the children the opportunity to take part in exciting activities outside on our school grounds as well as craft based activities in the classroom. Children will be taken to the club from their classroom and should be collected from the Prep Playground.</p>	<p>Speaking in Public (LAMDA) Developing the skills necessary for effective oral communication and public presentation. These lessons will benefit native English speakers as well as those for whom English is a second language.</p>
	<p>Digital Leaders Do you consider yourself...a VLE expert? A good problem solver? Creative? Are you interested in... Sushi and pizza lunches, working in a team, lots of rewards, a great looking school CV, developing your own skills? Applications begin in January - Speak to Mr Dellow about how to apply.</p>	

<p>Breakfast Club Parents drop off pupils at the refectories via the playground from 8am. Teaching assistants accompany children to their classrooms at 8.30am. Breakfast is served and fun activities organised.</p>	<p>Priory Players St Augustine's Drama Department is launching an exciting new venture for sixth formers to run St Augustine's Theatre Company, The Priory Players, a small theatre troop that will produce plays for public performance, both at school and in the local community. This scheme offers sixth formers a uniquely collaborative experience and the chance to create a play from concept to stage. The Head of Drama will oversee the company.</p>	
<p>Reading For Performance (LAMDA) Learners construct and present a recital based on a theme of their choice, using an introduction, verse readings, prose readings, dramatic readings, reflective linking statements and a conclusion. Texts are not memorised for this qualification. Designed for individual candidates.</p>	<p>Needle and Craft Sitting and sewing together is a great way to teach our children to slow down and learn a lifelong skill, patience, creativity and project planning. It helps build confidence and independent working. I encourage the children to communicate in a calm, respectful way and use the time to relax and unwind after a busy school day. Not to mention having useful fun items at the end! All materials supplied.</p>	<p>Yourstage Drama Weekly classes in Drama and Dance for 3-16 year old boys and girls working towards a performance at the end of each term. Founded in 2008 by Ms Hagerty (Head of Co-curricular Activities and Director of Sixth Form), Yourstage also runs holiday courses at school during the Easter and Summer holidays. Next term's Saturdays theme is <i>Time Travel</i>. www.yourstagedrama.com</p>
<p>Cheerleading This club will provide opportunities to develop skills in both Gymnastics and Dance. Cheerleading is a brilliant club for mixing with other girls, developing confidence and improving performance skills. The girls will be working towards competitions and performances in the Junior and Senior Dance shows.</p>	<p>Saturday Sport Every Saturday, we offer Netball and Hockey Coaching from 9am-12pm throughout the year. This is delivered by high level coaches, who run sessions which cater for all abilities. It is a brilliant opportunity for pupils to integrate age groups and meet new people as well as develop their skills.</p>	<p>Eco-Schools Club Mr Chappory's team will monitor recycling, reduction and reusing of paper across the school. They will also help to organise no paper days, no electricity days, walk to school events and liaise with outside agencies such as the WWF.</p>
