Education for all children

Lower VI Assembly

On Friday 9th January Lower VI began the new term by leading the Senior Assembly in the morning and the Junior Assembly at lunchtime with an excellent presentation on Malala Yousafzai, an inspiring voice for children's education everywhere and the youngest recipient ever of the Nobel Peace Prize.

This assembly had been planned and organised during Lower VI's General R.E. lesson before Christmas with a view to presenting it in the new year.

Malala's powerful acceptance speech at the Nobel Prize award ceremony features in Lower VI's presentation, which can be viewed at: <https://prezi.com/wtmap04elem1/breaking-news/>

Prayer

Father of truth and wisdom,
we thank You for granting us so many opportunities to be educated.
Bless this school and all its students who have learnt here,
past and present.
Allow us to be open-minded
and may this school always be the home of truth and wisdom.
May it be a place where we love to learn
and where we learn to love,
A place where everyone is respected
and all are deeply valued.

Amen
